PUBLIC SERVICE ANNOUNCEMENT

For Immediate Release

Late Wednesday evening, September 17, 2014, the City of Big Spring received notification of a large hole in the street in the 1100 block of W. 6th St. A city crew was immediately dispatched and discovered a broken manhole. In an attempt to hold back the flow of water, a dam was built around the hole. City crews will be working to repair this area of the street today, Thursday, September 18, 2014. Please be patient as we work to restore services. We apologize for any inconvenience this may cause to residents.
